We strive for excellent customer service. Though there are several storage facilities in the Bay area, we are locally owned and operated. We provide our tenants with personalized service so we can make their storage needs a pleasant experience.

Our units are suitable for the storage of all types of goods whether furniture and possessions during a household move, valuable tools and equipment when not in use, files or documents when additional office space is needed.

Call or visit us and choose the size of unit required.

Complete our simple agreement and move in as soon as you like – today if you wish.

Move into your own unit, locking it with your own padlock.

**Leave confident that your goods are safe, clean, dry, and secure.**

**Indoor Climate-Control Units**

### Security

24-Hour surveillance cameras throughout the complex monitor our facility. Along with the cameras, the local police department also patrols the grounds regularly.

### Boat-RV-Truck & Auto Storage

We offer outside uncovered parking for your entire vehicle needs. For a minimum fee, water is available for rinsing out your outboard motors.

**Outdoor Storage**

### Spaces 4' x 4' x 4' To 50' x 50'

Our rental units come in a variety of sizes to fit your needs. We offer indoor, roll-up, and workshops. Our climate control units are accessible during business hours, while our roll-up and warehouse units have 24-hour access. You can provide your own lock or purchase one from us. All units are equipped with a light and electric outlet.

**Outside Roll-Up Storage Units**

### Workshop & Office Spaces

Office space and Workshops are equipped with lighting and electrical outlets. All offices are air conditioned and have bathroom access. The workshops are outfitted with water and some have doors for added access.

**One of Our Climate Control Buildings**

**Please feel free to give us a call or stop by to view our facility for your own peace of mind.**
